The California Department of Insurance (CDI) invites consumers impacted by the recent wildfires to attend an informative insurance workshop. This is your opportunity to meet Insurance Commissioner Dave Jones, who will be addressing the issues facing the victims of the wildfires as they move forward towards rebuilding and recovering. This is open to the public.

There will also be an opportunity for consumers to speak **one-on-one** with a CDI representative with regard to any insurance questions or concerns you have. For a one-on-one session, we recommend that you make an appointment in advance by contacting the CDI's Hotline at **1-800-927-4357**. Walk-ins will be accommodated on a first-come-first-serve basis.

If you are unable to attend this workshop or schedule an appointment, as always, feel free to call the CDI's Hotline at 1-800-927-4357 for assistance or visit our website at www.insurance.ca.gov.
