

Colorado Flooding Roadmap to Recovery™ Workshop

**Join us for a free Educational Workshop on
Flood Damage and Insurance**

**Thursday, October 24th, 6:00pm-7:00pm
1st Presbyterian Church, 1820 15th Street,
Boulder, Colorado**

We will cover:

- Flood insurance basics and insurance claim tips
- Information on National Flood Insurance Program policies and proof of loss requirements
- FEMA grants and other disaster assistance programs

Who should attend? This workshop will focus on rules and rights related to NFIP and privately issued insurance policies that (unlike home insurance) cover the risk of flood. Residents whose homes were impacted by the recent flooding and who have flood insurance are encouraged to attend this workshop. Residents whose homes impacted but who have only home insurance (not flood), are welcome to attend. Attendees will have the opportunity to ask questions during a Q&A portion of the program and get answers from an expert on insurance consumer advocacy and flood claims.

This Roadmap to Recovery™ program is co-sponsored by Boulder County, Foothills United Way, and United Policyholders, a non-profit consumer organization, assisting disaster survivors for over 20 years.
