“THE SCOOP” ON SCOPE
Maximizing your dwelling insurance benefits

Chico State University, Performing Arts Center, Room 134

**Workshop Topic:** This workshop will help you document and prove the “as was” cost of replacing your destroyed or damaged real property in order to reach a fair claim settlement with your insurance company. UP Staff and volunteer experts will explain why you need an accurate scope and estimate and how to get one prepared.

**Guest experts:** Reconstruction & Recovery Advisors, Accurate Estimates, Inc., North Bay Fire Claims Assist, Prestige Mountain Homes and Scope Writing Services, LLC.

**Who should attend?** Homeowners whose insured homes were damaged or destroyed in the Camp wildfire.

This Roadmap to Recovery™ workshop is presented by United Policyholders, a non-profit consumer organization helping disaster survivors for over 27 years. UP thanks the Community Legal Information Center for supporting this workshop.
