

State of California

INSURANCE CODE

Section 2051.5

2051.5. (a) (1) Under an open policy that requires payment of the replacement cost for a loss, the measure of indemnity is the amount that it would cost the insured to repair, rebuild, or replace the thing lost or injured, without a deduction for physical depreciation, or the policy limit, whichever is less.

(2) If the policy requires the insured to repair, rebuild, or replace the damaged property in order to collect the full replacement cost, the insurer shall pay the actual cash value of the damaged property, as defined in Section 2051, until the damaged property is repaired, rebuilt, or replaced. Once the property is repaired, rebuilt, or replaced, the insurer shall pay the difference between the actual cash value payment made and the full replacement cost reasonably paid to replace the damaged property, up to the limits stated in the policy.

(b) (1) (A) (i) A time limit of less than 12 months from the date that the first payment toward the actual cash value is made shall not be placed upon an insured in order to collect the full replacement cost of the loss, subject to the policy limit.

(ii) In the event of a loss relating to a “state of emergency,” as defined in Section 8558 of the Government Code, a time limit of less than 36 months from the date that the first payment toward the actual cash value is made shall not be placed upon the insured in order to collect the full replacement cost of the loss, subject to the policy limit.

(iii) This section does not prohibit an insurer from allowing the insured additional time to collect the full replacement cost.

(B) An insurer shall provide to a policyholder one or more additional extensions of six months for good cause pursuant to clause (i) or (ii) of subparagraph (A) if the insured, acting in good faith and with reasonable diligence, encounters a delay or delays in approval for, or reconstruction of, the home or residence that are beyond the control of the insured. Circumstances beyond the control of the insured include, but are not limited to, unavoidable construction permit delays, the lack of necessary construction materials, or the unavailability of contractors to perform the necessary work.

(2) In the event of a covered loss relating to a state of emergency, as defined in Section 8558 of the Government Code, coverage for additional living expenses shall be for a period of no less than 24 months from the inception of the loss, but shall be subject to other policy provisions. An insurer shall grant an extension of up to 12 additional months, for a total of 36 months, if an insured acting in good faith and with reasonable diligence encounters a delay or delays in the reconstruction process that are the result of circumstances beyond the control of the insured. Circumstances

beyond the control of the insured include, but are not limited to, unavoidable construction permit delays, lack of necessary construction materials, and lack of available contractors to perform the necessary work. Additional extensions of six months shall be provided to policyholders for good cause.

(c) In the event of a total loss of the insured structure, a policy issued or delivered in this state shall not contain a provision that limits or denies, on the basis that the insured has decided to rebuild at a new location or to purchase an already built home at a new location, payment of the building code upgrade cost or the replacement cost, including any extended replacement cost coverage, to the extent those costs are otherwise covered by the terms of the policy or any policy endorsement. However, the measure of indemnity shall not exceed the replacement cost, including the building code upgrade cost and any extended replacement cost coverage, if applicable, to repair, rebuild, or replace the insured structure at its original location.

(d) This section does not prohibit an insurer from restricting payment in cases of suspected fraud.

(e) (1) On and after July 1, 2005, and only until July 1, 2019, all policy forms used by an insurer shall be in compliance with this section, except for the changes made to this section by the act that added paragraph (2).

(2) On and after July 1, 2019, all policy forms issued or renewed by an insurer shall comply with this section in its entirety, including the changes made to this section by the act that added this paragraph.

(Amended by Stats. 2018, Ch. 628, Sec. 1.7. (AB 1800) Effective September 21, 2018.)
